

LEASING OPPORTUNITIES WITH CANON FINANCIAL SERVICES

Why Canon Financial Services is a smart choice for your organization.

ABOUT CANON FINANCIAL SERVICES, INC.

A wholly owned subsidiary of Canon U.S.A., Inc., Canon Financial Services, Inc. (CFS), is a premier financing source for business-to-business customers in the U.S.

With visionary leadership, the collective expertise of passionate employees, and the global strength of the Canon brand, CFS provides innovative financing solutions that deliver best-in-class service and an outstanding financing experience to customers.

Headquartered in Mount Laurel, NJ, CFS helps commercial entities as well as non-profit, federal, state and local government acquire the equipment and products they need.

THE TOTAL SOLUTION

CFS works with Integrators, Dealers, and Customers to provide financing on all size transactions from several thousand to a few million dollars and everything in between. We finance projects that include hardware, software, labor and installation costs.

We work with you to understand your unique financing needs and look to develop programs that help meet your goals.

CUSTOMER FOCUSED

We believe that a knowledgeable customer is the best customer. As a free, value-added service, we offer an online web portal that empowers you to take charge of your CFS accounts.

You can access account information, view invoices, make online payments, and more 24 hours a day / 7 days a week.

BENEFITS OF LEASING WITH CANON FINANCIAL SERVICES

Discover the easy financing solution you need to acquire more equipment and services

SAVE YOUR WORKING CAPITAL

Successful companies all have one thing in common... knowing how to effectively manage cash flow. Leasing with Canon Financial Services, Inc. ("CFS") gives you the ability to acquire the equipment and services you need now at an affordable monthly payment —so you can use your cash for other business opportunities.

QUICKLY ADD-ON OR UPGRADE

From time-to-time, you may need to add new equipment or update related products to your existing system. Leasing gives you the flexibility to easily add-on, upgrade or acquire new equipment or software anytime you need it.

BUDGETING MADE SIMPLE

Leasing provides for straight-forward budgeting and cash management. Leasing provides fixed payments over a specific period of time so you know exactly how much you need to budget each month.

FLEXIBILITY

Leasing usually requires less paperwork to get started and is generally much faster from start to finish than traditional bank financing arrangements. We offer customized financing structures that help customers meet their financing and budgetary requirements.
